LOANS TO EXECUTIVE OFFICERS

The following information is required by Public Laws 90-44 and 102-242, but does not constitute a part of the Thrift Financial Report (TFR). With each TFR, these Laws require all savings associations to furnish a report of all loans or other extensions of credit to their executive officers made since the date of the previous TFR. Data regarding individual loans or other extensions of credit are not required. Exclude the first \$15,000 of indebtedness of each executive officer under a credit card plan. See Sections 215.2 and 215.3 of Title 12 of the Code of Federal Regulations (Federal Reserve Board Regulation O) for the definitions of "executive officer" and "extension of credit," respectively. (The Office of Thrift Supervision incorporated the Federal Reserve Board's Regulation O by reference at Section 563.43 of Title 12 of the Code of Federal Regulations.) This report should not include loans and other extensions of credit to directors and principal shareholders who are not executive officers.
