

# CALL FOR PAPERS

## OCC SYMPOSIUM ON EMERGING RISKS IN THE BANKING SYSTEM

The Office of the Comptroller of the Currency (OCC) is soliciting academic research papers on emerging risks in the banking system for submission by March 3, 2023.

The OCC seeks papers on any emerging risk in the banking system or related policy and supervisory issues. Submissions must represent original and unpublished research.

Interested researchers are invited to submit papers to [\*\*EconomicsSymposium@occ.treas.gov\*\*](mailto:EconomicsSymposium@occ.treas.gov).

The OCC will invite authors of selected papers to present to OCC staff and invited academic and government researchers at OCC Headquarters in Washington, D.C., on **June 12-14, 2023**.

Those interested in acting as a discussant may express their interest in doing so in their submission email.

Authors of selected papers will be notified by **April 14, 2023**, and will have the option of presenting their papers virtually.
