The table below provides the volume and value of checks that have been issued and paid (cash or deposited by the recipient) related to the Independent Foreclosure Review Payment Agreement in each state. The table includes all checks issued through May 31, 2013, including 96,000 corrected checks issued to customers of Goldman Sachs and Morgan Stanley. Data represent the mailing address of the recipient and not necessarily the address of the eligible property. The table includes data from Rust Consulting, Inc., and may vary from other published numbers because of timing of check clearance, processing, and reporting.
