

Credit Risk

Directors Can Make a Difference

Credit risk exists on and off the balance sheet, in a variety of products, activities, and services. Attend this one-day workshop to better recognize adverse trends, understand credit risk within the loan portfolio, the roles of board and management, and the reasons banks develop problems. Learn the skills you need to positively influence credit and risk management practices, how to effect change, and stay informed of changes in credit risk and risk appetite. Register to attend this one-day workshop for \$99 in one of these cities:
