

## **Notice Upon Commencing Voluntary Liquidation**

### **General Information and Instructions**

#### **Preparation and Use**

This notice is used to effect a transaction under 12 CFR 5.48(e)(3).

All questions must be answered with complete and accurate information that is subject to verification. If the answer is “none,” “not applicable,” or “unknown,” so state. Answers of “unknown” should be explained.

The questions in the notice are not intended to limit the applicant’s presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For such information, a cross reference to the information is acceptable. Any cross-reference must be made to a specific cite or location in the documents, so the information can be found easily. Supporting information for all relevant factors, setting forth the basis for the applicant’s conclusions, should accompany the notice. The regulatory agency may request additional information.

This notice form collects information that the Office of the Comptroller of the Currency (OCC) will need to evaluate a voluntary liquidation notice. The OCC must consider the applicable regulatory requirements, when acting on this notice. For additional information regarding the regulatory requirements, as well as processing procedures and guidelines and any supplemental information that may be required, refer to the OCC’s procedural guidelines in the *Comptroller’s Licensing Manual*. The applicant may contact the OCC directly for specific instruction or visit the OCC’s Web site at [www.OCC.gov](http://www.OCC.gov).

#### **Notice of Publication**

When the board of directors and the shareholders of a national bank have voted to voluntarily liquidate, the national bank, as required by 12 USC 182, must publish notice of the liquidation for two consecutive months in every issue of a newspaper published in the city or town where the national bank’s main office is located or the nearest community if no newspaper is circulated, in place of main office. If only a weekly publication is available, the notice must be published for nine consecutive weeks.

When the board of directors and the shareholders (or members) of a federal savings association or federal mutual savings association have voted to voluntarily liquidate, the savings association will publish notice of the voluntary liquidation if directed to do so by the OCC; the OCC generally requires a savings association to publish notice.

If required to publish notice, the applicant shall submit to the appropriate OCC licensing office a statement containing the date of publication, the name and address of the newspaper that

published the public notice, a copy of the public notice, and any other information that the OCC requires.

### **Submission**

In addition to an original notice and the appropriate number of signed copies, submit an electronic copy of the information in the notice. For e-mail submissions, contact the OCC for instructions and information about secure transmission of confidential material.

### **Confidentiality**

Any applicant desiring confidential treatment of specific portions of the notice must submit a request in writing with the notice. The request must discuss the justification for the requested treatment. The applicant's reasons for requesting confidentiality should specifically demonstrate the harm (for example, loss of competitive position, invasion of privacy) that would result from public release of information (5 USC 552 or relevant state law). Information for which confidential treatment is requested should be (1) specifically identified in the public portion of the notice (by reference to the confidential section); (2) separately bound; and (3) labeled "Confidential." The applicant should follow the same procedure when requesting confidential treatment for the subsequent filing of supplemental information to the notice. Contact the OCC for any further questions regarding requests for confidential treatment.
